Dear Sirs,

We would like to draw your attention to the plot of Land on the Duleek Road on the left hand side passed the El Molino Hotel, and wonder if you would be interested in purchasing same from the Smith Family, Smithstown, with a view to having a park developed for the local people. A park of some kind is badly in need of in this area for Children, and Adults.

Trusting you will be able to help us with this matter and looking forward to hearing from you.

Yours faithfully,
for JULIANSTOWN DEVELOPMENT ASSOCIATION

Re: Land for use as park in Julianstown.

Dear Miss McGrane,

I refer to correspondence in connection with the above land. The Council have carefully considered this matter but do not consider it suitable for the purposes mentioned by you.

As it appears it would constitute a traffic hazard at the junction with the national primary road, and children crossing the main road to the land would be in danger.

I regret that this reply is not a favourable one but I trust that you will understand the circumstances.

Yours faithfully,

Staff Officer.
