Julianstown:

MARACYCLE

Martin McKenna is again doing the Dublin - Belfast - Dublin Maracycle. This year he is hoping to raise money for the local 5th Meath Scout Troop.

Martin is now doing the rounds with his sponsor cards and he would be delighted if you would support him and the local scouting movement.

RESIDENTS PETITION

The petition which was taken at all Masses last weekend was very successful.

The committee were delighted with the response and already things are moving in the right direction. The 30 mile limit is to be introduced in the next week or two, and not a minute too soon. Last week there was another accident on the hill going into Julianstown from Drogheda when two lorries collided.

Luckily there were no serious injuries on this occasion.

It is imperative that we all support the Residents Association in their effort to make Julianstown safe.

JULIANSTOWN L.C.A.

Celebrating 13 years in Julianstown the local guild are having a day out on June 29. There will be a bus tour of Wicklow visiting the Japanese Gardens and the National Stud.

Price is £15 including evening meal. Anyone wishing to join the ladies in their celebrations should contact Ann Hanley or Dinah Berrill as soon as possible.
